INTERGOVERNMENTAL AGREEMENT

BETWEEN
THE STATE OF ARIZONA
AND
THE CITY OF AVONDALE

THIS AGREEMENT is entered into 19 November, 2003, pursuant to Arizona Revised Statutes, Sections 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State") and the CITY OF AVONDALE acting by and through its MAYOR and CITY COUNCIL (the "CITY")

I. RECITALS

1. The State is empowered by Arizona Revised Statutes Section 28-401 and 28-334 to enter into this agreement and has delegated to the undersigned the authority to execute this agreement on behalf of the State.
2. The City is empowered by Arizona Revised Statutes Section 48-572 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the City.
3. Congress has authorized appropriations for, but not limited to, the construction of streets and primary, feeder and farm-to-market roads; the replacement of bridges; the elimination of roadside obstacles; and the application of pavement markings
4. Such project within the boundary of the City has been selected by the City; the field survey of the project has been completed; and the plans, estimates and specifications have been prepared and, as required, submitted to the Federal Highway Administration (FHWA) for its approval.
5. The only interest of the State in the project is in the acquisition of federal funds for the use and benefit of the City by reason of federal law and regulations under which funds for the project are authorized to be expended.
6. The City, in order to obtain federal funds for the construction of the project, is willing to provide City funds to match federal funds in the ratio required or as finally fixed and determined by the City and FHWA, including actual construction engineering and administration costs (CE).

THEREFORE, in consideration of the mutual covenants expressed herein, it is agreed as follows:

II. SCOPE OF WORK

1. The State shall submit a program containing the aforementioned project to FHWA with the recommendation that it be approved for construction.

a. If such project is approved for construction by FHWA and the funds are available for construction, the City will and does hereby designate the State as authorized agent for the City. The State hereby agrees to be authorized agent for the City, and with the aid and consent of the City and the FHWA will proceed to advertise for, receive and open bids, and subject to the concurrence of the City and the FHWA, enter into a contract with a firm on behalf of the City to whom the award is made for the construction of the project; such project to be performed, completed, accepted and paid for in accordance with the instructions and requirements of the City and the Standard Specifications for Road and Bridge Construction of the Arizona Department of Transportation. The State will enter into a Project Agreement with FHWA on behalf of the City covering the work embraced in said construction contract and will request the maximum federal funds available, including construction engineering and administration costs. Should costs exceed the maximum federal funds available, it is understood and agreed that the City will be responsible for any overage.

b. Should unforeseen conditions or circumstances increase the cost of said work required by a change in the extent or scope of the work called for in this agreement, the City shall be obligated to incur and will pay for said increased costs.

2. The City agrees to deposit funds in an amount equal to the difference between the total cost of the work provided for in this agreement and the amount of federal aid (capped) received.

3. The State will reimburse the City with federal funds for construction work addressed under this agreement at 94.3% of the project cost capped at \$1,449,225.00

4. The City shall acquire the necessary rights-of-way and hereby certifies that all necessary rights-of-way have been or will be acquired prior to advertisement for bid.

5. The City shall remove from the proposed rights-of-way all non-construction related or unauthorized encroachments of whatever nature, either above or below the surface of the roadway, and hereby certifies that all obstructions and encroachments have been or will be removed therefrom, prior to the start of construction.

6. The City shall not permit or allow any encroachments, except those authorized by permit, upon, or private use of, the right of way. In the event of any unauthorized encroachment or improper use, the City shall take all necessary steps to remove or prevent any such encroachment or use.

7. Upon completion of construction, the City shall provide for, at its own costs, proper maintenance, including, but not limited to, traffic signals, signs, islands curbs and markings necessary for the purpose of regulating, warning and guiding traffic, all in accordance with the requirements of the current edition of the Manual on Uniform Traffic Control Devices for Streets and Highways.

III. MISCELLANEOUS PROVISIONS

1. The State assumes no financial obligation or liability under this agreement. The City assumes full responsibility for the design, plans and specifications, reports, the engineering in connection therewith, and the construction of the improvements contemplated, cost over-runs and construction claims. It is understood and agreed that the State's participation is confined solely to securing federal aid; that any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the City and that the City hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and employees, the City, any of its agents, officers and employees, or any of its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, and expenses of litigation or attorneys' fees.

2. The cost of the construction and construction engineering work covered by this agreement is to be borne by FHWA and the City, each in the proportion prescribed or as fixed and determined by the FHWA as stipulated in this agreement. Therefore, the City agrees to furnish and provide the difference between the total cost of the work provided for in this agreement and the amount of federal aid received.

3. This agreement shall remain in force and effect until completion of the work; provided, however, that any provisions in this agreement for maintenance shall be perpetual, unless assumed by another entity, may be canceled at any time prior to the award of a construction contract, upon sixty (60) days written notice to the other party.

4. This agreement shall become effective upon filing with the Secretary of State.

5. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.

6. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.

7. In the event of any controversy, which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth for public works contracts in Arizona Revised Statutes Section 12-1518.

8. Non-Discrimination. The contractor shall comply with Executive Order 99-4, which mandates that all persons, regardless of race, color, religion, sex, age, national origin or political affiliation shall have equal access to employment opportunities, and all other applicable state and federal employment laws, rules and regulations, including the Americans With Disabilities Act. The contractor shall take affirmative action to ensure that applicants for employment and employees are not discriminated against due to race, creed, color, religion, sex, age, national origin or political affiliation or disability.

9. Non-Availability of Funds. Every payment obligation of State and the City under this contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this contract, this contract may be terminated by the State and the City at the end of the period for which the funds are available. No liability shall accrue to the State and the City in the event this provision is exercised, and the State and the City shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.

10. All notices or demands upon any party to this agreement shall be in writing and shall be delivered in person or sent by mail addressed as follows:
